Hi Doug,

Thanks for checking
in. We do not have
any new material to
share with you at this
point. A new TASC
bridge contract has
been put in place and
we are just getting
back up and running.
A check in next week
sounds good. Terrie
and I are available
Wednesday
afternoon, let us know
what time's work best
for other folks and I
will send along a call
in number.

Best,

Hi
Debbie,
Ana,
Carol
and
Doug,

I hope
all of
you had
a

I just
wanted
to let
you
know
that we
have
received
direction
from
EPA to
continue
working
with you
as we
outlined
in the
schedule
that we
created
at the
end of
last
year. As
of now,
Terrie

and I are
working
on
providin
g a
summar
y and
commen

CPG lett
er to the
NRRB.
These
will
mostly
be
commen
ts about
things to
check
for in
the
revised
FFS
when it
is
released.
We are
also
going to
begin
working
on the
tables
that we
discusse
d: an
outline
of types
of
dredging
and
other
projects
that are
similar
to what
is being
propose
d for the
Passaic
River.
As you
know,
our

contract
ends
January
22. We
will
complet
e our
summar
y and
commen
ts/questi
ons on
the
CPG lett
er to the
NRRB
by then,
as well
as have
template
s and
portions
of the
tables
filled in.
Let me
know if
there are
any
question
s or
concerns
about
this
work. If
it sounds
good,
would
you all
be
availabl
e to
meet in
the latter
half of
next
week,
once we
have
somethi
ng to
show to
you?
Thursda
y, Jan

17,
would
be best
for us,
but we
could
maybe
work out
something
for
Wednes
day,
January
16 or
Friday
January
18.
